

Science Fair Proposal Sheet

Name: \_\_\_\_\_ Gr \_\_\_\_\_

1) Explain your idea (topic) for this year's science fair.

---

---

---

---

---

2) Explain why you have picked your topic.

---

---

---

---

---

3) Briefly explain how you are going to set up your experiment, how you will test.

---

---

---

---

---

---

---

---

---

---

4) State your problem, what is it that you are trying to find out?

---

---

---

---

5) List the topics that you will be researching for your science fair.

---

---

---

---

---

---

---

---

---

---

---

---

6) What resources are you going to utilize for the information (where and when)?

---

---

---

I plan on starting my experiments on \_\_\_\_\_.
